

**Subject : Application for the position of
 Network Manager**

Sir / Madam,

I am sending you this letter in order to propose my candidacy within your establishment.

Holder of Openclassroom certification of the Resident Administrator course, I practice to appropriate the various tools available in my field and/or required by the customer.

My various works have enabled me to acquire a capacity for analysis and rapid interpretation of my work environment, as well as the various factors liable to change it. Having already had to work in a team, cohesion is one of my assets.

I remain at your disposal to meet you and discuss my application and your establishment further.

Looking forward to meeting you, please accept, Madam, Sir, my best regards.

Sincerely,

Esperanza KOUNDE
